FOR THE GIFTED**

# PRE-SCHOOL WORKSHOP | AGES 3-5

## Little Builders

Children will use creativity and clever ideas to build a project of their own, using everyday materials. Class size limited to 10 children and encompasses both sessions, with a Movement Break in between.

*Shirlene Ureña and Erin Brawley, teachers, Roosevelt School*

# WORKSHOP CHOICES | GRADES K-1

### Build a Boat for the Gingerbread Man!

The Gingerbread Man from the Famous Fairy Tale needs your help! You will work as emergent engineers as you utilize engineering processes to design and build a boat that will hold the weight of the Gingerbread Man to help him cross the stream! Points will be awarded for boat design, collaboration, and holding the most weight.

*Dr. Nancy DeJarnette  
University of Bridgeport  
Bridgeport, CT*

### On the Hunt for Seeds (Session 2 only)

Join the Seed Huntress on an expedition into the wild world of seeds! Together we will explore a jungle of fruit to discover where their magic seeds are hidden. Once you embark on this adventure, you will see the bounty of nature around you and on your plate in a whole new way. Like Indiana Jones, you will now discover seed treasures wherever you go! Each seed hunter will leave this journey with their very own pouch of seeds to protect & plant!

*Sefra Alexandra, The Seed Huntress  
Wakeman Town Farm, Westport, CT*

### Shotokan Karate

Come learn some fun new ways to keep safe and boost your self-confidence through Karate. Our Anti-Bullying and Karate workshop will keep you laughing and moving as you learn from International Gold Medalist Samuel Diaz III.

*Samuel Diaz III, Sensei  
Stratford Shotokan Karate,  
Stratford, CT*

### We All Scream for Ice Cream

Using the phases of matter, you will make your own ice cream in a bag and explore the best way to chill the ingredients to make them become a creamy, delicious treat.

*Katie Veccharelli, Melinda Stygles  
and Sharell Richmond  
Grade 1 teachers, Roosevelt School*

### Move It! (Session 1 only)

Come learn a variety of dance moves to be put to music. We will have some movement and drama games as well. Come get a move on and have some fun!

*Tanya Ayotte, teacher  
Roosevelt School, Bridgeport*

### Animal Adaptations (Session 2 only)

How do animals survive in the wild? In this exciting, hands-on workshop, explore how different body coverings, behaviors, colors and physical structures help vertebrates (mammals, birds, reptiles and fish) adapt to their environment, find food and escape from enemies.

*Sammy Riccio  
Earthplace, Westport, CT*

### Storybook Theater: Three Billy Goats Gruff (Session 1 only)

Take the stage! Bring the Three Little Pigs to life using costumes and props to become the characters in Three Billy Goats Gruff.

*Erica Cruz, Museum Educator  
Stepping Stones Museum for Children, Norwalk, CT*

## K-1 Breakout Session

**All K-1 children will refresh, recharge, and refocus by learning the ancient Chinese wellness practice imitating the movement and spirit of animals in between their workshops.**

**Lead by Shirley Chock, Co-Owner, Aiping Tai Chi Center**

## WORKSHOP CHOICES | GRADES 2-3

<p style="text-align: center;"><b>Animal Adaptations (Session 1 only)</b></p> <p>How do animals survive in the wild? In this exciting, hands-on workshop, explore how different body coverings, behaviors, colors and physical structures help vertebrates (mammals, birds, reptiles and fish) adapt to their environment, find food and escape from enemies.</p> <p><i>Sammy Riccio Earthplace, Westport, CT</i></p>	<p style="text-align: center;"><b>Gadgets &amp; Gizmos (Session 2 only)</b></p> <p>Develop an understanding of electric circuits and vibrating motors by creating a dancing robot. You will be able to describe a circuit as a loop in which electricity flows, identify the parts of a circuit and recognize and create closed and open circuits.</p> <p><i>Erica Cruz, Museum Educator Stepping Stones Museum for Children, Norwalk, CT</i></p>	
<p style="text-align: center;"><b>Spinner STEAM</b></p> <p>You will investigate the physics of spinning, including the concepts of angular momentum, torque, centrifugal force and more! We'll make optical illusion thaumatropes, snap cube spinners, and cool works of art using spinning action!</p> <p><i>Claudia Esposito, Owner Cool-ology, Madison, CT</i></p>	<p style="text-align: center;"><b>On the Hunt for Seeds (Session 1 only)</b></p> <p>Join the Seed Huntress on an expedition into the wild world of seeds! Together we will explore a jungle of fruit to discover where their magic seeds are hidden. Once you embark on this adventure, you will see the bounty of nature around you and on your plate in a whole new way. Like Indiana Jones, you will now discover seed treasures wherever you go! Join us to create your own temporary natural henna tattoos.</p> <p><i>Priyanka Jain, Henna Styles LLC Fairfield, CT</i></p>	
<p><b>Design a Digital Photo Book</b></p> <p>Bring your phone loaded with your favorite photos and explore composing your story through photography. Learn composition and technical skills to improve the quality of your own photos. In this workshop, using the "accordion technique" you will design and construct a book that will hold 12 pages of themed photographs.</p> <p><i>Caroline O'Malley, Art Teacher Roosevelt School, Bridgeport, CT</i></p>	<p><b>Using Wind to Generate Electricity! (Session 1 only)</b></p> <p>Students will learn about wind energy and the Park City Wind Project, and then construct a working windmill that utilizes a small generator to light an LED lightbulb, just like the windmills planned for the Connecticut Shoreline!</p> <p><i>Chris Oburchay, Library Media Specialist Roosevelt School, Bridgeport, CT</i></p>	

**Special thanks to the Theodore Roosevelt School for hosting and helping to organize this annual Bridgeport Minds in Motion event, including Principal Jacqueline Simmons and all the Roosevelt teachers who are leading workshops!**

# ADULT PROGRAM

WELCOME AND KEYNOTE ADDRESS, 1:10-2:20 PM ~ WORKSHOPS, 2:45-3:55 PM. YOU CAN ATTEND THE KEYNOTE AND ONE WORKSHOP.

## KEYNOTE ADDRESS by Frances Aponte – Generational Journey in Education

The audience will hear about the educational journey of four generations in one family. Parents will hear how their involvement can help guide and assist their children on their educational journey.

*Frances Aponte is a Certified School Psychologist for the Bridgeport Public Schools. She is assigned to Roosevelt School, as well as two district-wide teams for the Department of Psychological Services. She has been with the Bridgeport Public Schools for 22 years, with 15 of those years as a school psychologist. Frances is currently the Delegate to Connecticut for the National Association of School Psychologists. She is a Past-President of the Connecticut Association of School Psychologists, and is currently on their executive board.*

## WORKSHOP #1 by Lynne Henwood – Supporting Your Intellectually Curious Child

In this workshop, parents will learn to recognize and nurture gifted behaviors in their children, both at home and in the classroom. We will discuss strategies for dealing with underachievement, boredom in school, overexcitabilities, perfectionism, twice-exceptionality and other behaviors or characteristics often associated with gifted children.

*Lynne Henwood has taught gifted and twice-exceptional children for over 8 years in NJ and is currently the Head of FlexSchool, a school designed for gifted and twice-exceptional children in Bronxville, NY. She is also the President of the New Jersey Association for Gifted Children. Lynne is certified in Gifted Education and is completing a Masters in Giftedness, Creativity and Talent Development at the University of Connecticut.*

## WORKSHOP #2 by Denise Hanks – The Vision Workshop: The Patterns of Success

Whether you would like to create a better work/life balance, take action on creating a healthier lifestyle, or find or mend a relationship, you will leave knowing how to build your dreams in order to enjoy a richer, fuller life experience. You will learn three DreamBuilding principles and how to apply them immediately to help you create a life you absolutely love. Participants should come armed with paper, a pen, an open mind, and a desire to manifest amazing growth and change in their life.

*As a DreamBuilder Coach, Certified by the Life Mastery Institute, Denise Hanks can help you design and manifest a life that's in harmony with your Soul's purpose. Her passion is teaching clients to unlock their true potential, achieve outrageous success, and live a life they are excited about! She is filled with joy and gratitude as she works with people to transform their lives and close the gap between the life they were living, and the life they LOVE living. Denise is an inspiring speaker, passionate educator, and a highly sought after transformational coach.*

## WORKSHOP #3 by Dr. Lorrie-Anne Monte – The Importance of Social and Emotional Learning

Everyone deserves to feel happy, healthy and successful in school and in life. Social and emotional learning can help children and adults accomplish these goals. This session will provide an overview of social and emotional learning and how it can develop the skills of self-awareness, self-management, social awareness, relationship building and responsible decision-making.

*Dr. Lorrie-Anne Monte is an Assistant Professor and the Counselor Education Fieldwork Coordinator at Western Connecticut State University. Formerly, she was a School Counselor at Naugatuck High School for 18 years. She strongly believes in being of service to others and is a Past President and Board Member with the Connecticut School Counselor Association and a Board Member with the Connecticut Association for the Gifted.*

## WORKSHOP #4 by Dr. Lorie Gumbs-Tyler – Stress Busters: Natural Ways to Bring Calm for Parents & Students

Stress may be a normal part of life, but we don't have to let it take over our lives. We can shift from being "stressed out" to feeling at ease. Learn about foods, nutrients, and activities to help you eat, sleep, and feel better. Gain useful strategies for you and your children to bring more peace and calm into your lives at home, work, school, and beyond.

*Dr. Lorie Gumbs-Tyler is a CT licensed naturopathic physician and a certified nutrition specialist with special training in craniosacral therapy and somato-emotional release. She currently sees patients at the Center for Natural Medicine in Watertown and Natural Health & Wellness Center in Stratford. Dr. Lorie has been a Roosevelt School parent and an active Parent Advisory Council member for the past 6 years. She is also a parent board member for the Bridgeport Public Education Fund.*

## WORKSHOP #5 by Chris Oburchay and Tess Pastor –

### Academic & Career Opportunities of Advanced Manufacturing in Bridgeport

Bridgeport has amazing educational and professional opportunities for its students, and in this workshop, you'll learn about the growing field of Advanced Manufacturing and its presence in the Park City. We will provide an overview of the high school application process, identifying the many programs available to Bridgeport students, and highlighting the Advanced Manufacturing Program at Bassick High School. We will also have a presentation by an instructor and students from the Housatonic Community College Advanced Manufacturing Center.

*Chris Oburchay is the Library Media Specialist at Roosevelt School, and a former classroom teacher and literacy coach. Tess Pastor is the Guidance Counselor for Roosevelt School.*

## ABOUT BRIDGEPORT CARIBE YOUTH LEADERS

Since 2003 BCYL has been committed to providing youth ages 5 to 18 with diverse sports, educational and community awareness programs that foster physical, intellectual and social development, while instilling pride and helping them build character and self-esteem, so that they can reach their full potential and value their role in society. For more information visit [www.bcyl.org](http://www.bcyl.org) or call 203-913-0073.

1067 Park Avenue  
Bridgeport, CT 06604

## ABOUT CAG

The Connecticut Association for the Gifted is a non-profit organization founded in 1969 that supports the needs of gifted and talented children across Connecticut. In addition to sponsoring the "Minds in Motion" events, CAG provides parents, teachers and other educators with information and resources to help in parenting and educating gifted children.

As a member, you will receive regular e-newsletters and e-updates on timely topics of interest. Through the CAG Professional Development Program and Teacher Resource Group, educators receive the latest information on meeting the needs of gifted students.

CAG also works with the state legislature and the State Department of Education to advocate for gifted and high-potential students, and is an affiliate of the National Association for Gifted Children.

Please join CAG and make a difference in a child's life. For more information, and to become a member online, visit [www.ctgifted.org](http://www.ctgifted.org), or contact us at [info@ctgifted.org](mailto:info@ctgifted.org), or [203-291-6586](tel:203-291-6586).

606 Post Road East #417, Westport, CT 06880

Special thanks to all the volunteers who make this event possible, especially our workshop presenters, who volunteer their time, energy and expertise for our eager students!
