Arrival

- School doors open at 8:40 am and bell schedule begins at 8:50 am. Students that arrive after 9:00 am must sign-in at the office and will be marked tardy.

Dismissal

- The office must receive a written note for dismissal arrangement changes, in the rare case that a note was not given to the student in the morning, you must contact the office no later than 1:00 pm should a parent decide that their child will be going home a different way than the normal routine.
- Last minute changes create confusion both for your child and the school. It is discouraged to call at the end of the day to make such a request as this is a very busy time for the school office.
- Please try to make doctor/dentist appointments after school hours.
- Pick-up time: 3:00-3:10 pm

Extended Day Program

- Program runs from October through end of May. Hours of the after school program are 3:10-4:50 pm. Students who are eligible, will have access to bus transportation. Applications will be available in September for any families interested.
