

Welcome Back 2022-2023

"Success is a continuing thing. It is growth and development. It is achieving one thing and using that as a steppingstone to achieve something else." -John C. Maxwell

August 12, 2022

Welcome to the 2022-2023 school year! I hope this letter finds you well and that you and your family are having an enjoyable summer.

I am excited to begin another amazing year at CSMA! The growth we saw last year was outstanding and we are striving to continue on an upward trend to support your child's continued success. We are excited to welcome all students back on Monday, August 29th. The first day of school is a full day. School hours are 8:40am – 3:10pm. In order to maximize on our instructional time, we are asking that student arrive no later than 8:50am, as our day will begin promptly. Students arriving after 8:55am will be considered tardy.

We will be holding in person PAC and Parent Meetings again this year and we are looking for your support. A survey will be going out asking for how you would like to participate. The foundation of CSMA was built on parent partnerships and we need your leadership and support to be as successful as possible. Please consider joining PAC, leading an activity or fundraiser, volunteering and/or attending our meetings. We welcome visitors and would love to see you stop by our Main Office. Feel free to give us a call if you have any questions or concerns. We want to hear from you!

The next 2 weeks will be spent preparing the school for reopening for the 2022-2023 school year. We will be working closely with all staff to ensure a warm welcome and strong start to an amazing year. If you have any questions, please feel free to reach out at any time via email or call either office.

Yours in partnership,
Mrs. Lindsay A. Davis, CSMA Principal
