Dear Parent or Guardian,

Bassick High School thanks you and your family for being our valued partners as we work together to educate Bridgeport children.

Between October 18th & 29th, all students in Bridgeport Public Schools, grades 3 through 12, will be participating in an online School Climate Survey. This survey will provide important information about students' experiences that can help us make our school and district as good as they can be.

We thank you in advance for your support. If you have any questions about the survey administration, please don't hesitate to contact the school at 203-275-3083.

Warmly,

Dr. Raiola
Principal
