

Special Olympics ***Connecticut***

Does your child have Special Needs, is over the age of 13, and wants to participate in Special Olympics?

Then you are in luck! We have a Bridgeport Track and Field team beginning practices *Monday April 4th from 4-5pm* on the Central High School Track. You will need to secure a ride for your child to and from practices and have a physical form and release form filled out.

Please email Allison Loh, mloh@bridgeportedu.net for paperwork
