Dear Parent/Guardian of 6th and 10th Grade Students:

A State of Connecticut mandated physical is required for all 6th and 10th grade students by April 1st. Your child will be excluded from school and may not return until the mandated physical is returned to the school nurse and your child is in compliance.

If your child has received the State of Connecticut mandated physical, please return the form as soon as possible. Thank you for your attention with this matter. You may ask your school nurse for additional information.
