

Bridgeport Public Schools Preschool Weekly Fee Payment Agreement

Families who select to enroll their child in a Bridgeport Public Schools preschool classroom are required to pay a weekly preschool fee. This fee is determined using the Connecticut State Department of Education Office of Early Childhood Sliding Scale fee schedule which takes into consideration the current size of the family and the family's gross annual income.

The fees collected by your child's school are utilized to pay for a variety of items;

Field trips, learning materials, supplies, playgrounds, special events related to academics and social emotional learning, etc....

The Bridgeport Public Schools Early Childhood Department along with your child's school will provide you with the following documents;

1. Weekly fee invoice /bill
2. Weekly fee payment schedule
3. Money Order Requirements (we do not accept personal checks or cash)
4. Payments can be submitted directly to your child's preschool teacher.

My signature below indicates my agreement to pay the required weekly preschool fee. I understand that my child may no longer be able to attend the preschool program if payment is not submitted on the day it is due.

Student Name: _____

School: _____

Parent/Guardian Name (please print): _____

Parent/Guardian Signature: _____

Today's date: _____
