

SGC Meeting: 5/9/18

Location: PL Dunbar Media Center

### Agenda

1. 2018-2019 Budget Review
2. Dunbar Celebration
3. Pie in the Face Fundraiser

### Notes

- Budget Review  
According to the 2018-2019 proposed budget, there is no indication that staff is reduced; however, it still remains a possibility due to the budget crisis. We expect about 430 students to return to Dunbar next year. Class sizes may increase as the Turn-Around Process comes to an end.
- Dunbar Celebration  
The program was finalized and roles were delegated for the night presentation. Certificates will be created by Ms. Cullen and students will receive medals, buttons, pencils depending on the award. Phone blast will go out to parents next week.
- Pie in the Face Fundraiser  
This will take place the first two weeks of June with the top three teachers with the most money in their gallon container will receive a pie to the face on field day by the student in their class with the most earned scholar dollars. Flyer to go home to parents the last week of May.
