SUBJECT: Asbestos Removal- Central High School

This is to inform you that asbestos abatement activities will be occurring during full student/children occupancy (from February 5, 2017 to February 28, 2017) at the above referenced facility. During full student/children occupancy, asbestos abatement activities will be conducted in two shifts. The first shift will occur from 6:00 A.M. to 2:30 P.M. The second shift will resume from 2:30 P.M. to 11:00 P.M.

The following asbestos-containing materials will be removed from the below mentioned areas at Central High School:

Upper B-Wing (Nurse office bathrooms)

- Black damp proofing

Upper B-Wing (B114, Guidance offices, B107 – under CMU walls)

- Floor tile/mastic

Please be advised that all work will be conducted within the Federal and State regulations for proper asbestos abatement procedures. During this project the asbestos abatement contractor will be monitored by an industrial hygiene firm, Fuss & O'Neill EnviroScience, LLC located at 56 Quarry Road in Trumbull, Connecticut (Contact Person/Project Manager; Eduardo Miguel Marques, (203) 374-3748).

The abatement contractor is Standard Abatement Services.; a CTDPH licensed Asbestos Abatement Contractor (CTDPH license #000250).

This letter was prepared and is being forwarded to parents, administrators, building occupants, teachers, and staff of Central High School prior to asbestos removal activities as required by the State of Connecticut Department of Public Health.

The State of Connecticut Department of Public Health – Asbestos Program is located at 410 Capital Avenue in Hartford, Connecticut (Contact phone (860) 509-7367).

Please post this notice in the area of abatement, on the main entrance to the school, in staff break room, and distribute to all staff and parents

Should you have any questions regarding this project, please contact Nicholas Masciangelo, Director of Construction Management Services, Public Facilities, City of Bridgeport, CT, at (203) 576-8123.

Sincerely,

Nicholas Masciangelo
