March 27, 2020

Dear Bridgeport Public School Community,

I hope that everyone is doing well and staying safe. I know many students are working hard and staying connected to school. I would like to say all our students that “We miss you!” For those students who may be seeing this as time away from school, please get connected today. We need all of you to be working on your school assignments daily, so you are prepared for when school is back in session.
We are asking all parents to please bring your child’s completed packets back to school on Wednesday, April 1st. You will then receive more assignments for your child to complete.

It is extremely important that you please put your child’s name, grade, and teacher on the front page of their packet before dropping it off. This will make it much easier to get it to their teacher for review.

Thank you,
Michael J. Testani
Superintendent of Schools
