

Dear PCM Parents,

Just a friendly reminder: May 4-8, 2020 is the Teacher Appreciation Week. It is an opportunity to appreciate and celebrate those who play a role in the education of our children. Please encourage your child to email, send pictures, videos or a virtual 'Thank You' card.

As we make history during these unprecedented times, let us make 'Teacher Appreciation Week' a unique event. Please include our Superintendent, administrator, teachers and all school staff at you choosing. Be creative.... As always, this is a voluntary activity.

Be well. Be safe. We are in this together.

With warm regards and gratitude,

Bernadette Thottam

School Psychologist
