

# COVID-19 Vaccines for Bassick High School Students

Yale New Haven Health System (YNHHS) is partnering with the City of Bridgeport Department of Public Health and the Bridgeport Board of Education to vaccinate Bridgeport High School students who are 16 years old and older. The vaccinations will take place at the University of Bridgeport. We are excited about this partnership to help you get vaccinated against COVID-19. Specific details are outlined below.

- **The Bassick High School clinic will be on Tuesday, May 4, 2:00 p.m. to 7:00 p.m. at:**
- **YNHHS Vaccination Clinic**  
**University of Bridgeport Wheeler Recreation Center**  
400 University Avenue  
Bridgeport, CT 06604
- Students ages 16 or 17 must be accompanied by a parent or guardian – if this is not possible, the student must bring a signed “Consent Form” to the vaccination appointment. (Please contact your school if you need a form.)
- To schedule your vaccine, please visit [www.ynhhs.org/covidvaccine](http://www.ynhhs.org/covidvaccine) or call 833-ASK-YNHH (833-275-9644).
- Please wear a mask, and if you have a form of I.D. or insurance card, please bring it with you to your appointment. There is no cost to you!
