

# Meet Ms. Quinn

Hi! My name is Ms. Quinn and I am thrilled to be your teacher! It's going to be a fun year full of lots of learning and new adventures. I want to know ALL about you but first I am going to tell you a few things about me.

I was born and raised in Fairfield, CT. I went to college at the University of Connecticut and Sacred Heart University. I am the oldest of four. I have two younger sisters (Colleen and Kelly) and a younger brother (Shawn). I also have 6 nephews (Jack, Garrett, Tyler, Connor, Brody, and Ryan) and 1 niece (Samantha). I love spending time with my family!

I have been teaching third grade at Multicultural Magnet since 2001. Before that I had several different careers! I was a job coach and worked with adults with disabilities, an eldercare counselor, and a Resident Services Coordinator for a senior housing facility. While I enjoyed working with the elderly, I realized that I really wanted to be a teacher so I went back to school. I am so happy that I made that decision because now I get to teach you!

I am so excited to begin the school year. I hope everyone had a great summer and is ready to work hard and do your best!
