

The Amazing Math Problem-Solving Race

Have students practice their math skills while helping your classroom
and school earn points using Moby Max.

OCTOBER 9 – NOVEMBER 2

2 DIVISIONS

CLASSROOM DIVISION

- Classrooms from each school earn points by the total number of problems solved correctly by all students in each class
- Top 3 winning classrooms in the district will earn pizza party and trophy

TO PARTICIPATE:

Have your students work on Moby Max "Math" from October 9 through November 2. Students may work at any time from school or home. The more problems they solve, the more points they will earn for their class and school.

GOOD LUCK!!!

SCHOOL-WIDE DIVISION

- Top 3 schools in each conference will win a trophy
