Dear Parent or Guardian:

Bridgeport Public Schools believes that you should be informed regarding our effort to create and maintain a safe and secure learning environment for all students. The Student Code of Conduct is provided to you and your child to help you and him/her understand the school's procedures, rules, and policies. Although a discussion of the handbook does take place in your child's class, it will help your child have a successful school experience if you and he/she take some time together to review its contents more thoroughly.

The Student Code of Conduct is available online; a hard copy will not be mailed home. If you do not have access to a computer, you may visit the Family Resource Center for assistance. Please go to [www.bridgeportedu.net](http://www.bridgeportedu.net). Click on the link for [Board of Education](#), then click on the link for [Policies](#) to access the Student Code of Conduct (SCC) or go to the following address:
