COVID-19 and the pandemic have adversely affected staffing in classrooms across the state.

Governor Lamont issued a temporary suspension of the waiver request process for substitute teachers without a bachelor's degree to assist schools in addressing these shortfalls.

This suspension allows applicants at least 18 years of age, who hold a high school diploma (equivalent) the opportunity to apply for substitute teacher positions in the state.

These individuals are eligible to serve for the entirety of the 2020-21 school year.
