

CENTRAL MAGNET HIGH SCHOOL

OUR PROGRAM OFFERS:

- A well-rounded education in Academics, Sports and Extra-curricular activities
- Our flagship college prep high school draws students from all sections of Bridgeport bringing a diverse and vibrant population of talented students together in a rich academic environment
- Rigorous College Prep / Early College program where students have an opportunity to earn college credits in high school through our Advance Placement (AP) and UConn Early College Experience (ECE) courses. Students can earn a minimum of 12 college credits before graduating high school
- Academic achievement and recognitions our students have received: AP Scholar and AP Scholar with Distinction, National Merit Scholar, Quest Bridge Scholar, National Achievement Scholar and National Merit Hispanic Scholar
