**DEVICE FOR DISTANCE LEARNING:**

Please try to acquire access to an electronic device (laptop) for the educational usage of Microsoft Teams for the upcoming school year that has the following features:

- Audio/microphone capabilities which will allow for audible instruction and full student participation in lessons on Microsoft Teams.
- **(optional)** a device with camera capabilities for visual participation on Microsoft Teams
- a device for uploading or scanning images of completed assignments, e.g., a mobile device or document scanner

**\*If you are unable to acquire an electronic device (laptop) for distance learning, please contact the school for further assistance with this matter.**
