

Science School Supply list - Room 104

Mrs. Scott-Thiam

Considering the constraints of COVID-19, we are asking parents to supply their children with some personal safety items in addition to the standard school supply list for the 2019-2020 school year.

Hand Sanitizer (pocket size)

Two face masks

Sanitizing wipes for personal space (one container)

Tissue packs (pocket size)

*In the event of **distance learning**, electronic devices should be used. Below is a list of options that you can choose from.*

Laptop or iPad with camera capabilities

Chrome book (*the school will probably provide, if electronic devices are not available at home*).

Audio/microphone capabilities to participate in instruction.

Classroom supplies include:

2 black and white composition books

Pencils

Pens

Colored markers

Magic markers

Pencil Sharpener

White out

2 boxes of face tissues

Metric Ruler

Scissors
