All High Horizons 8th grade students who meet the minimum academic requirements (**C+ average no Ds or Fs AT ALL on 7<sup>th</sup> or 8<sup>th</sup> grade report cards**) are automatically given a seat at Central Magnet with no application necessary, just information form included. Any student that does not meet the minimum requirements will not be granted a spot at Central Magnet (even if they meet the requirements 1st quarter but don't by the end of the year their seat will be revoked).

**If you would like your student to be considered for a spot at Central Magnet please fill out, sign and return the enclosed Demographic page. This will allow me to make an accurate running list and check to make sure minimum grade requirements are met for those students who are interested. \*Remember you can always decide to decline the seat later so if you are unsure you might want to hold the seat until you know for sure whether or not your student will attend Central Magnet\***

Sincerely,
