

Mrs. Naber

Grade 5, Room 216
High Horizons Magnet School

A Little About Me

- I have been teaching in Bridgeport for 40 years.
- I have three sons.
- I live in Black Rock.
- I have a bird and three cats.

Technology

- Every student has the same device now :) The WinBooks were provided by the district.
- If you need information on insurance or internet access at home, feel free to contact the Main Office for assistance.
- We are currently using Microsoft TEAMS for most assignments. Currently, I am still learning how to operate TEAMS. Thank you for your patience!
- Other online programs we are using include Superteachers, Epic Books, ReadWorks, and Math Antics.

Literacy (Reading and Writing)

- Currently, this year for Literacy, we are using Epic and ReadWorks.
- We will be focusing on our open-ended responses to text using the RACES rubric.
- Spelling tests are administered weekly.

Math

- Our areas of focus this year are the following (per the district):
 - Performing operations with multi-digit whole numbers and with decimals to hundredths.
 - Understanding the place value system.
 - Using equivalent fractions as a strategy to add and subtract fractions.
 - Applying and understanding previous understandings of multiplication and division to multiply and divide fractions.
