

Good afternoon, InfoTech Families,

As you have been made aware, school is set to reopen to all learners on April 19th, 2021, (Monday, Tuesday, Thursday and Friday with Wednesday still being a virtual day for all). In order to get ready to safely greet our students, we are asking that you complete the survey in the attached link below. Please know that you do still have the option to keep your child as a virtual learner if medical conditions necessitate this decision. However, the hybrid model is no longer an option for any student. We will modify the COVID Reopen Plan as deemed necessary by “new” guidelines and send out for you to review with your children prior to their return.

Have a good evening,

Beth Furnari
