

Good afternoon, InfoTech Families,

I hope this message finds you safe and well!

Attached you will find the Summer Reading assignment. We hope that your children choose to engage in this opportunity as it will not only bolster their reading and creative thinking skills throughout the summer, but will better prepare them for their course-work expectations for the upcoming school year.

Additionally, please have your children continue to use KHAN Academy for both reading and numeracy. Their practice with both over the summer will hone their existing skills and reduce any declines in their abilities, better preparing them for their next level of classes in Math and English in the fall.

I wish you and your families a safe and relaxing summer. I am available to you throughout the break. If you have any questions and/or concerns, please do not hesitate to reach out. I look forward to seeing your children in the fall.

Be safe everyone!

Beth Furnari
