

Good evening, InfoTech Families,

To my students, both new and “old”, words cannot express just how excited I am to see you tomorrow! Your InfoTech teachers and staff have been working tremendously hard to welcome you back. The classrooms and floors are sparkly clean. The walls are decorated. The new courses are ready. The Prometheum boards are AWESOME!! The maker-space lab is PHENOMENAL!! So much effort has gone into providing you with a wonderful experience for the upcoming school year. It has been far too long since our school has been full of student voices, laughter and life. I missed it and I am so eager to feel your energy and see your faces (at least from the nose up, for now 😊).

I am grateful for the support to provide your children with a positive high school experience and I therefore extend my gratitude to:

- Tom Armour and his wonderful staff of custodians
- Mrs. Jill Sam and Mrs. Liciaga-Rodriguez, Main office Secretary and InfoTech Administrative Assistant
- Mr. Mike Siksay, Recruiter
- Jorge Garcia and Team, Facilities
- Jeff Postolowski and Team, Technology
- The #INFOTECH Team of remarkable teachers
- My parents for your continued collaboration and most importantly, for entrusting us with your child’s education.

I wish everyone a productive, safe and wonderful school year!

Beth Furnari
