

Good Evening families,

Today was an excellent start to the new year! Students and teachers were excited to be back in school and I am very happy to see all the new and returning students. To make the entrance and exit transition go smoothly we ask your assistance for two points.

1. If you are dropping off or picking up your student(s) please do this at the campus' main entrance. Students entering and exiting the bus entrance are for those students coming off a bus or taking one home.
2. If your student is taking a bus, please make sure they know their bus number as well as their bus stop and pickup/drop off times. Upon exiting the campus we have a map showing the location of all of our busses by bus number to make it easier for students to find their bus if they are aware of the number. This information can be found in the transportation menu in PowerSchool.

If you have any questions regarding your student(s) bus number, please feel free to contact me.

Sincerely,

Beth Furnari
