

Hi all,

For students who have signed up for UCONN ECE courses in fall or/and spring semester, you need to sign up online to register on the UCONN ECE portal. You will go to I-2mapps or I-2 front area to complete this process on Monday 9/13.

Please make sure to bring your **social security number** and your schedule (UCONN ECE courses in which semester with which teacher for fall and spring) to sign up on Monday.

UCONN is required by the federal government to ask for your social security number. However, if you do not wish to provide it, you can still proceed with the process. But I highly recommend you to provide it because it will save you from many email requests from UCONN later on, and a possibility of additional fee.

You can review the UCONN ECE student guide for additional information: <https://www.facebook.com/UConnECE/photos/a.10150256859813567/10159163499473567>
